## Association Awards 2009 Scholarships

Hollin Bolden

The 2009 South Bend Alumni Association Scholarships and Grants recipients were announced by Scholarship Chairperson Connie Varga. Mrs. Varga and SBAA Chairperson, Bill Gates made the awards at the School Corporation's Celebration of Excellence on May 13th at Century Center. The TCU-Superintendent's Scholarships are \$4000 grants. The Alumni Association Endowed Scholarships and the Joseph S. Fragomeni, Sr. scholarship are \$1000. The Kurt & Tessye Simon Grants and the '2nd Chance' Grants are determined by the money pool available. This year all Simon and 2nd Chance awards were for \$500. Current economic conditions apparently affected virtually every former contributor to the Alumni Association. (save some golf tournament and Hall of Fame sponsors). Though income was down approximately 40% the Association maintained its level of scholarship and activity support.

## THE ALUMNI MAILBOX & Other Stuff

**Robert 'The Brat' Cebrat, Central '52** lives in Florida and from time to time during the winter season enjoys calling or writing asking about weather conditions in South Bend. He also makes it a point to make a contribution in the name of classmates living and deceased; This check was to honor **Larry Giantamos, Central '51** who now lives in Mishawaka; , thanks Bob!; **Bill Womer, Central '59** recently became a life member. Bill lives in Hastings, Michigan; **George Tezich, '40** passed away in January. Many of us remember George as the '**Smiling Cop**' who worked automobile and pedestrian traffic at the corner of Jefferson and Michigan Streets in South Bend; he was a great PR person for the South Bend Police Department....bet you forgot about policemen (no women back then) who used to patrol downtown streets **ON FOOT**...didn't you? We heard that **Evelyn Accoe Puyvelde, Central '39** and her husband Albert were recognized for their many years of service to the *Center for Belgian Culture* in Moline, Il. They served in many capacities while educating people on 'the Belgian way of life'; no doubt proud of their heritage. We received word that **Louie Batalis, Central '50** died in February-he was a friendly and happy guy; **Barb Rogers of Clawson, Michigan** found and then donated a book titled *The Vision* which has South Bend High School records, photos, etc from 1887 to 1911. She procured the book and mailed it to us at her expense. Interesting book. **Wayne Senger, Central '51** passed away in March. He was very active in school participating in athletics, drama, student council and was president of the *Smilers*; **Carol Evans, Washington '60** became a Life Member in March and resides in Mishawaka; **Jim Metz, Washington '67** passed away in March. Jim was a teacher-coach and then a principal in the South Bend schools for many years. (Cotton Blossom); SBAA Life member, Bill Oliver, Central '39 (January), passed away recently in Cincinnati OH. . He was very active in drama and radio in school and the Interlude slated him to work in law and perhaps radio as a sideline; **Joseph Marling, Central '38** wrote in June that he had moved back to Washington DC area from Florida where he lived the past 40 years. He played basketball for coach John Wooden for three years. Joseph would like to hear from former classmates. You can mail him at 3501 S. Leisure World Blvd, Apt. 2B, Silver Spring, MD 20906; **Ross Stephenson, Riley '39** former South Bend Central Athletic Director and football coach is not feeling well and we are told he enjoys receiving cards from former students, friends and associates. Ross was coordinator of Physical Education for the South Bend Schools System and the head football scout at Notre Dame for about ten years.. You can contact Ross at 23718 South Shore Drive, Edwardsburg, MI 49112. **Bob Smith, Central '45** recently wrote to say he will be unable to attend our monthly luncheons due to health conditions, but, in his usual and admirable style he enclosed a check to help the Association with its mission—Bob remains a 'class guy'. Gary Krahenbuhl of Tempe, AZ recently contacted the Alumni office asking for information to help him with a family history project. He is the son-in-law of **Richard Good Riley '38**. Dick Good was a student-athlete at Riley and the starting Quarterback at the University of Illinois before entering military service. He was killed in France in 1944; perhaps Gary will share his 'writings' with us when he completes his work.

### ALUMNI COMMENTARY

It is often overlooked just how many things the Alumni Association helps happen in our schools. We know about the Alumni Association Scholarship Program and the South Bend Community Hall of Fame. But, there are numerous other programs and activities to which the Alumni Association contributes. One such program is the Riley Natatorium Project. The RPS was created to honor the successful history of 'Southside Swimming' and more specifically Riley High School Swimming. This project is nearing completion with the addition of Record Board, Banners, Championship Boards and a photographic Wall of Fame in the Riley Natatorium honoring this rich history. It should be noted that no public funds were used, but were made possible by generous contributors like the Alumni Association. Stop by and visit the Riley Natatorium. We think you'll be impressed to see one of the many projects that your organization supports....

*Dave Dunlap, Central '59*

Editor's note: You can still support this tribute to a legendary program.. Make checks payable to 'Riley Natatorium Project' and send to the Alumni Office.

SEND US YOUR STORIES AND GOSSIP....YOU KNOW WE ALL LIKE READING ABOUT OLD FRIENDS AND ACQUAINTANCES! PICTURES TOO!

'Second Chance' grants are made periodically by the South Bend Alumni Association to past recipients of the Association's scholarships and demonstrate continued financial need. The 2009 grants are \$500 each and are awarded to:

**Matt Mackowiak** is studying public relations in the school of communications at Ball State University. Matt is a Washington graduate. **Stefanie Orłowski** attends Indiana University and is a Washington graduate. **Emily Haller** attends Indiana University, Bloomington and majors in dietetics. She is an Adams graduate. **Ryan Orłowski** is in the Kelly School of Business at Indiana University and is a Washington graduate. **Allison Shafer** is studying at Butler University and graduated from Riley. **Editorial Comment.....**

**Help If You Can**

This has been a very difficult financial year for many people. Some say they are not effected—and they are; some say they are effected and they are not. Here is a truism however: the Alumni Association has had a poor fund raising year and yet we did not cut our funding efforts. Matter of fact we increased our *scholarship* and program grants. Naturally we cannot continue this plan because there is NO BAILOUT here fellow alumni. We have 'tapped' into our 'reserves' and who really knows how long this financial climate will continue?. We are very grateful to the donors who have continued their support of the Association. This year it is even more special than in past years. We have not made a solicitation of alumni in the 24 year history of the Association. We aren't doing that now...BUT, if ( my English teacher at Riley would cringe) you can make a donation of any size at this time it would help with our 'bottom line'. When we started we felt if every alumni would donate just \$1 a year we could do a lot of good things as part of our legacy....Today it takes nearly that much to mail a letter and include a return envelope. But with approximately 100,000 alumni or so up and about we could still make it possible to help with some kids dream and assist with programs that recognize achievements and assist children in our schools and community....So I ask again....please 'help if you can!'

## Alumni Profile

Ross Stephenson

Ross Stephenson, Riley '39 was a quarterback on the Riley team of 1938 and the year-book described him as 'the intelligent quarterback'. Ross enrolled at Eastern Illinois University where he met Jane, his soon to be wife. He entered WWII as a private and earned a battlefield commission. He became a teacher and took his first assignment at Bloom High School in Chicago Heights, Illinois. He always spoke of his year there with fond recollections and his great liking for the people and especially the students he taught and coached. It wasn't long that the South Bend Schools made him an offer to teach and coach in South Bend. He and his family moved and Ross began a long and notable career at South Bend Central. He was a physical education teacher and coached football under Bob Jones, Chris DalSasso, Ed Szucs, Bill Gilkey and Mike Sacchini. He also served as interim head coach when needed. Through the 1950's and 60's Ross was the schools athletic director and was highly regarded for the athletic teams appearance and performance and his management of the athletic program. When Central closed as a high school in 1970 Ross moved to LaSalle High School and served as the head football coach for two years then transferred to the central administration to serve as Director of Physical Education for the school system. For fifteen years he was the scout for the Notre Dame Fighting Irish under coaches Devine, Faust and Holtz. A modest man he never spoke of his achievements. After retiring from the South Bend Schools in the 1980's Ross continued with duties at Notre Dame then later retired to Eagle Lake in Edwardsburg, Michigan. Ross and Jane have five children: Janie, John, Marty, Mary and Julie. Ross is fondly thought of by his former students as the living proof of the 'Fountain of Youth' because he and his wife Jane have kept their youthful appearance & energy well into their 80's....yet, another example of the people who influenced our lives.

## Celebrity Corner

Take a close look at the lady on the left. If you don't recognize the name or the face you aren't alone. Yet, nearly everyone... of any age... has seen her. She looks a bit different here than she did when she scared the 'bijeebies' out of many of us. Yep— she played the wicked witch of the West...or was it East?...in the *Wizard of Oz* movie. She was in a production of *Show Boat* some years ago and befriended Larry Giantomas, Central '51 who submitted this personalized photo.

L-R, Denny Bishop, Jim Powers and Mike Sacchini

L-R, Bob Berger, Derrick Wesley, Tom DeBaets

Two local standout athletes were recognized on March 25, 2009. in Indianapolis. Denny Bishop, Central 58 was inducted into the Indiana Basketball Hall of Fame and Derrick Wesley, Riley '84 was selected as a member of the 25th Anniversary Team by the Basketball Hall of Fame. Both honorees have had successful careers in athletics after high school and in business.. Bishop officiated Division I men's basketball for years and lives in Texas. Wesley is a South Bend businessman. Pictured here with the honorees are Jim Powers, Central '43 who was a Central coach when Bishop's 1957 team was the undefeated State Champions. Mike Sacchini, was a teammate of Bishop. Head Coach Bob Berger and Assistant coach Tom DeBaets, LaSalle '67. were Riley coaches when Wesley played there. DeBaets later coached his Clay High School team to the 1994 Indiana State Championship. This is a gathering of good athletes and good men. Throughout the year we get a number of long distance calls and emails asking for class reunion information. **TCU-Superintendent's Scholarship Golf Tournament**

The 2009 event was held at Erskine GC on May 6th. The weather was good and all participating teams completed the 'tough' layout. Many former and potential sponsors did not participate due to the economic conditions which makes us that much more grateful to those sponsors that did participate. This is the first year the tournament did not generate enough money to cover the expense of the \$25,000 in new scholarship money given in June.
