

# Service Requirement Ideas per Co-Ex Grant

Need help deciding how your students can provide community service to go with your SB Alumni Association grant application? Look through this list and see what looks interesting, or come up with a place of your own. Call or email the director, telling them what you need or want to do. Ask what **THEY** need. Tell them your students' age group and how many volunteers you will have to work. See what you can work out, if anything. If it is a "go", then work your plan or move to the next group on the list. The purpose of this requirement is to have the students experience the **fun**, and the **gratitude** people have for their help! Questions? Contact the South Bend Alumni Association at [sbaa@sbcsc.k12.in.us](mailto:sbaa@sbcsc.k12.in.us)

NAME/TYPE OF ORGANIZATION NEEDING HELP	TYPES OF HELP NEEDED	CONTACT PERSON PHONE/EMAIL
